ORDER

New Delhi, the 30th December 1967

G.S.R. 1939.—In exercise of the powers conferred by section 3 of the Essential Commodities Act, 1955 (10 of 1955), the Central Government hereby makes the following Order further to amend the Solvent-Extracted Oil, De-oiled Meal and Edible Flour (Control) Order, 1967, namely:—

1. This Order may be called the Solvent-Extracted Oil, De-oiled Meal and Edible Flour (Control) (Second Amendment) Order, 1967.

2. In the Solvent-Extracted Oil, De-oiled Meal and Edible Flour (Control) Order, 1967,

(1) in clause 2,

(i) after sub-clause (c), the following sub-clause shall be inserted, namely:—

“(cc) “existing producer” means a person carrying on the business of a producer

(i) on the 17th March, 1967 in respect of producers of Category ‘A’, Category ‘B’ and Category ‘C’, and

(ii) on the 30th December, 1967, in respect of producers of category 'D' and category 'E'

and includes a person who has been carrying on such business at any time within a period of three years prior to the dates aforesaid";

(ii) after sub-clause (f), the following sub-clause shall be inserted, namely:—

"(ff) "new producer" means a producer other than an existing producer";

(iii) for sub-clause (g), the following sub-clause shall be substituted, namely:—

"(g) "producer" means a person carrying on the business of manufacturing one or more of the following, namely, solvent-extracted oil, de-oiled meal or edible flour, either in his own factory or in the factory of any other person, and includes his agent or any other person acting on his behalf".

(2) in clause 3, for sub-clause (2), the following sub-clause shall be substituted, namely:—

"(2) The licences issued under sub-clause (1) shall be of the following categories, namely:—

- (i) Category 'A'—in respect of a producer whose factory is, in addition to being equipped with a solvent extraction plant, also equipped for pre-cleaning oilseeds and pre-exPELLING oil therefrom prior to solvent extraction;
- (ii) Category 'B'—in respect of a producer whose factory is, in addition to being equipped with a solvent extraction plant, also equipped for refining, that is to say, neutralising, bleaching and deodorizing solvent-extracted oil;
- (iii) Category 'C'—in respect of a producer whose factory is equipped with a solvent extraction plant, but is not equipped for the processes referred to under category 'A' and category 'B';
- (iv) Category 'D'—in respect of a producer falling in category 'C', who is also engaged in the business of refining solvent-extracted oil produced by him, in the factory of any other producer of category 'B', or of a registered user engaged in such business;
- (v) Category 'E'—in respect of a producer, whose factory is not equipped with a solvent extraction plant but is equipped with an oil mill, and who is also engaged in the business of manufacturing solvent-extracted oil and de-oiled meal, in the factory of any other producer, from the oilcake produced by him in his oil mill.

(3) in clause 4,

(i) in sub-clause (1), for the existing proviso, the following provisos shall be substituted, namely:—

"Provided that an existing producer shall, if he intends to continue in the business of a producer, make within sixty days,

- (i) from the 17th March, 1967, in the case of producers of category 'A', category 'B' and category 'C',
- (ii) from the 30th December, 1967 in the case of producers of category 'D' and category 'E',

an application for the grant of a licence; and he may, if he has made such an application continue to carry on such business without a licence, until he is granted a licence or until he is informed in writing that a licence cannot be granted to him;

Provided further that an application made by an existing producer after the expiry of the period specified in the first proviso may also be treated as having been made within the said period, if the licensing officer is satisfied that the delay in submission of such application was due to circumstances beyond the control of the applicant".

(ii) for sub-clause (5), the following sub-clause shall be substituted, namely:—

“(5) Every application for the grant of a licence shall be accompanied by a fee as provided hereunder:

(i) (a) in the case of new producers of category ‘A’, category ‘B’ category ‘C’ and category ‘D’, whose capacity for production of solvent-extracted oil during any twelve calendar months is 600 tonnes or less;

(b) in the case of new producers of category ‘E’: and

(c) in the case of existing producers of all categories, whose production of solvent-extracted oil during the period of twelve calendar months immediately preceding the date of application was 600 tonnes or less—250/-.

(ii) (a) in the case of new producers of category ‘A’, category ‘B’, category ‘C’ or category ‘D’, whose capacity for production of solvent-extracted oil during any twelve calendar months exceeds 600 tonnes; and

(b) in the case of existing producers of all categories, whose production of solvent-extracted oil during the period of twelve calendar months immediately preceding the date of application exceeded 600 tonnes—Rs. 500/-.

Explanation: For the purpose of this sub-clause, existing producers who commenced production of solvent-extracted oil on any date within the period of twelve calendar months immediately preceding the date of application shall be treated as new producers”.

(iii) in sub-clause (6), for the word “factory”, the word “producer” shall be substituted.

(iv) sub-clause (7) shall be renumbered as sub-clause (8), and before sub-clause (8) as so re-numbered, the following sub-clause shall be inserted, namely:—

“(7) The amount specified under sub-clause (5) shall be deposited in the nearest Government Treasury, or in the Reserve Bank of India at Bombay, Calcutta, Delhi and Madras or in the nearest branch of the State Bank of India at places other than Bombay, Calcutta, Delhi and Madras—under the Receipt Head of Account “LII—Miscellaneous—Miscellaneous”. The Treasury Receipt shall be superscribed with the words “Items adjustable by the Pay and Accounts Officer, Food and Agriculture, New Delhi” and shall accompany the application.”

(4) in clause 5, the following proviso shall be added, namely:—

“Provided that in the case of existing producers of category ‘A’, category ‘B’ and category ‘C’, the period of validity of the licence shall commence from the 17th March, 1967 and end with the 28th February, 1970, and in the case of existing producers of category ‘D’ and category ‘E’, the same shall commence from the 30th December, 1967 and end with the 30th November, 1970.”

(5) in clause 9,

(i) in sub-clause (1), for para (i), the following para shall be substituted, namely:—

“(i) The oil is manufactured by a producer holding a category ‘B’ or category ‘D’ or category ‘E’ licence under this Order or by a registered user engaged in the business of refining solvent-extracted oil”.

(ii) in sub-clause (5), for para (iii), the following para shall be substituted, namely:—

“(iii) In the case of meal intended for use as livestock feed, such de-oiled meal conforms to the standards of quality for the appropriate de-oiled meal specified in the Fourth Schedule”.

(6) in clause 11, in sub-clause (1), for para (d), the following para shall be substituted, namely:—

“(d) the category and number of the licence held by the producer, or the registration number of the registered user, as the case may be:

Provided that in the case of producers of category ‘D’ and category ‘E’, the category and licence number of the producer or the registration number of the

registered user, in whose factory the oil was manufactured or refined, as the case may be, shall also be indicated in the manner illustrated below:—

Category 'D'—Licence No. SEO/200-D.

Category 'B'—Licence No. SEO/100-B
or Registration No. RU/Edible/100.

(7) After clause 11, the following clause shall be inserted, namely:—

"11-A. *Power to prescribe monthly returns.*—Every producer shall furnish to the Controller monthly returns in the forms set out in the Seventh Schedule showing:—

- (a) the stocks held, and the quantities and varieties of solvent-extracted oil, de-oiled meal or edible flour or all of them, as the case may be, manufactured or despatched by him during each calendar month;
- (b) the stocks held, and the quantities and varieties of oil-bearing materials and of solvent used during the month, and the source from which the solvent was obtained;
- (c) the names and addresses of the registered users to whom each variety of solvent-extracted oil, that is "semi-refined", "raw, grade 1", "raw, grade 2", was despatched during the month, and the quantities so despatched.
- (d) the names and addresses of the persons to whom edible flour was despatched during the month, and the quantities so despatched."

(8) in the First Schedule,

(i) for para 1, the following para shall be substituted, namely:—

S.E.O. (6)	A

(iii) in para 3, the following further conditions shall be added, namely:—

For category 'D' and 'E' licensees only.—(1) The refining of the solvent-extracted oil produced by the licensee/the manufacturer of solvent-extracted oil and de-oiled meal from the oilcake produced by the licensee in his oil mill, may be carried out only in the factory/factories of the producers specified in para 1, and not in any other factory.

(2) Notwithstanding the place of refining/manufacture referred to in (1) above, it will be the responsibility of the licensee to ensure that:

(i) no solvent-extracted oil is offered by him for sale for purposes of direct human consumption unless it has been alkali-neutralized, bleached and steam-

deodorized under high temperature (not less than 180°C) and low pressure not more than 25 mm. of mercury absolute) and conforms to the standards of quality specified in Part I of the Third Schedule;

(ii) no solvent-extracted oil is offered by him for sale for purposes of refining for direct human consumption, or for manufacture of vanaspati unless it conforms to the standards of quality specified in Part II of the Third Schedule; and

(iii) no de-oiled meal is offered by him for sale for use as livestock feed unless it conforms to the standards of quality specified in the Fourth Schedule.

(9) in the Second Schedule,

(i) for items 2 to 5, the following items shall be substituted, namely:—

"2. Name and address of the factory (or oil mill in the case of applicants for licence under category 'E'):

Name:

Postal address:

Telegraphic address:

Telephone Number:

3. Fixed assets of the factory (or oil mill in the case of applicants for licence under category 'E'), i.e. investment in land, building and machinery:—

Land:

Building:

Machinery:

4. (i) Whether the applicant holds an industrial licence for the manufacture of—

(a) vegetable oils other than cottonseed oil and solvent-extracted oil:

(b) cottonseed oil:

(c) solvent-extracted oil:

or is registered with the D.G.T.D. for (a), (b) and (c):

(ii) If so, the number and date of the licence or registration and the capacity for which licensed or registered, as the case may be, in terms of oilseed and/or oilcake and/or rice-bran per day of 24 hours, separately for (a), (b) and (c) under sub-item (i):

(iii) If not, whether an application for license/registration has been made, and capacity stated therein, separately for (a), (b) and (c) under sub-item (i):

4A. (i) Whether the factory is equipped with:

(a) an oil mill:

(b) a solvent extraction plant:

(c) equipment for refining solvent-extracted oil:

(ii) if so, the date(s) on which the installation of each was completed:

(iii) if not, the date(s) on which the installation of each is expected to be completed:

4B. (To be filled only in the case of applications for the grant of license for the first time):

(i) Whether the applicant was carrying on the business of a producer, that is manufacturing solvent-extracted oil—

(a) in the case of applicants for licence under categories 'A', 'B' and 'C', on 17th March, 1967:

(b) in the case of applicants for licence under categories 'D' and 'E', on 30th December, 1967:

“(a) In the case of applicants for licence under category ‘D’, particulars of the producers of category ‘B’, or of registered users, as the case may be, in whose factories the applicant proposes to refine the solvent-extracted oil produced by him:—

Name of Producer / reg. user	Licence/ Regn. No.	Name of factory
---------------------------------	-----------------------	--------------------

(b) In the case of applicants for licence under category ‘E’, particulars of the producers in whose factories the applicant proposes to manufacture solvent-extracted oil and de-oiled meal from the oilcake produced by him:—

Name of Producer	Category	Licence No.	Name of factory
------------------	----------	-------------	-----------------

(iii) in item 8, after the Table, the following shall be inserted, namely:—

“(a) In the case of applicants for licence under category ‘D’, particulars of the producers of category ‘B’, or of registered users as the case may be, in whose factories the above-mentioned quantity of neutralised, bleached and deodorized solvent-extracted oil was manufactured by the applicant:—

Name of Producer reg. user.	Licence/ Regn. No.	Name of factory	Quantity (tonnes)
--------------------------------	-----------------------	--------------------	----------------------

(b) In the case of applicants for licence under category ‘E’, particulars of the producers in whose factories the above-mentioned quantities of solvent-extracted oil and de-oiled meal were manufactured by him:—

Name of producer	Category	Licence No.	Name of factory	Name/quality of oil/deoiled meal	Quantity
---------------------	----------	----------------	--------------------	--	----------

(iv) for item 9, the following item shall be substituted, namely:—

"9. Production of oil mill during the twelve-month period referred to in item 8 (in tonnes):—

(10) in the Third Schedule,

(i) in Part I, after item 3 of the list of Indian Standard specifications for the "refined" grade of solvent-extracted oils, the following items shall be added, namely:—

"4. Rice-bran oil, edible grades IS: 4219E-1967.

5. Solvent-extracted sesame oil IS: 4220E-1967.

6. Soybean oil, refined IS: 4276E-1967.

7. Sunflower oil, refined IS: 4277-1967".

(ii) in Part II, under para (a), after item 3 of the list of Indian Standard specifications for the semi-refined grade of solvent-extracted oils, the following item shall be added, namely:—

"4. Solvent-extracted sesame oil IS:4220E-1967".

(iii) in Part II, under para (b), after item 2 of the list of Indian Standard specifications for the "raw grade I" grade of solvent-extracted oils, the following item shall be added, namely:—

"3. Rice-bran oil, edible grades IS: 4219E-1967".

(11) for the Fifth Schedule, the following Schedule shall be substituted, namely:—

"THE FIFTH SCHEDULE

[See clause 9(6)(iv)]

Standards of quality for edible flour

The edible flour shall be obtained by extraction of oil by means of a solvent from oilcake, immediately following the single-pressing of the appropriate edible oilseeds of good quality, which have been pre-cleaned and are free from infected or otherwise damaged materials and extraneous matter. It shall have been subjected to such heat and steam treatment under controlled and regulated conditions as may be necessary to ensure removal of solvent without adversely affecting the quality of the protein in the edible flour, and ground to an appropriate size as may be desired. It shall conform to the requirements for the appropriate edible flour specified below:—

Edible Groundnut Flour

(1) Moisture, per cent, maximum	8.0
(2) Total ash (on dry basis) per cent, maximum	5.0
(3) Ash, insoluble in dilute hydrochloric acid (on dry basis) per cent, maximum	0.35
(4) Ether extractives, per cent, maximum	1.5
(5) Total protein (N x 6.25) per cent, minimum	47.0
(6) Crude fibre, per cent, maximum	5.0

2. *Edible Cottonseed Flour :*

(1) Moisture, per cent, maximum	8.0
